Family roots, national reach.

Family owned since 2004: 22 years in business, BBB accredited and rated 4.9 on Google.

Deepak and Raksha Patel founded Midsouth Hotel Supply in Mississippi in 2004 on deep manufacturing knowledge and honest, transparent service. Hard work built trust, and trust grew a local supplier into a national distributor.

Today we run a **100,000+ square-foot facility** and deliver to hoteliers across America. Led by **Prahar Patel**, we pair the inventory and logistics of a major corporation with the heart of a family partner.
